Question 4: Are faster players more likely to make it to Pro Bowl or not?

```
In [6]: #Players who made Pro Bowl based on their 40yd Dash time.
        fig = px.histogram(df, x="40yd", color="PB", title="Distribution of 40yd Dash Time of Players who made Pro Bowl")
        fig.show()
```

Distribution of 40yd Dash Time of Players who made Pro Bowl
